G.S. MAINS PAPER-I COMPREHENSIVE

Time: Three Hours

Maximum Marks: 250

QUESTION PAPER SPECIFIC INSTRUCTIONS

1. Please read each of the following instructions carefully before attempting questions:
2. There are 20 Questions printed in English Only. Attempt any two.
3. The Answer must be written in the medium authorized and in the space provided only.
4. Word limit, as specified, should be adhered to.
5. Any page or portion of the page left blank in the Answer Booklet must be clearly struck off.
6. Answer the questions in NOT more than 150 words. Content of the answer is more important than its length.

- Q.1 Critically examine how did the Press started by prominent Indians both in English and vernacular languages influence the freedom struggle. Also examine how the British reacted to this medium of national awakening.
- Q.2 The Home Rule League Movement, led by Lokamanya Tilak and Annie Besant, was less charged but more effective compared to other movements of the time. Examine how and why?
- Q.3 Compare and contrast the Indo-Islamic architecture with that of temple architecture in India.
- Q.4 Discuss various forms of Sufi Silsila in India. How far it affected Indian society?
- Q.5 Should the practice of yoga be made compulsory for all school children and government employees in India? Substantiate
- Q.6 Discuss the important events in the life of the Buddha which have been depicted in different forms of Buddhist art? Also elaborate on the significance of these events?
- Q.7 "Russification of Marxism by Lenin placed Russia as first model of socialist industrialization". Comment.
- Q.8 The initial disadvantage of League of Nations was that it seemed to be created especially for the benefit of the victorious powers. Examine.

- Q.9 States reorganization is best regarded as clearing the ground for national integration as it has not affected the federal structure of the Union or paralyzed the centre as many had feared. Evaluate.
- Q.10 Disparity in development- inequality has become a source of tension and given birth to sub-regional movements for separate states within Indian Union or greater autonomy for the sub-regions within the existing states. Critically analyze.
- Q.11 The eastern coast of India is more vulnerable due to climate change process than the western coast. Why? Give your arguments.
- Q.12 Ocean currents are active agents of change of land forms. Do you agree? Explain with examples.
- Q.13 Natural resources including the energy resources are the determinants of geopolitical alignments in the world. Explain with examples.
- Q.14 Why the chains of islands on the coast of Pacific are more active than other part of the surface, explain with the help of plate tectonics.
- Q.15 The emergence of Independent nations in Asia and Africa has been a distinctive feature of the world after the Second World War. Critically examine.
- Q.16 The precise relationship between Varna and Jati has been the subject of much speculation and debate among scholars. The most common interpretation is to treat varna as a broad all-India aggregative classification, while jati is taken to be a regional or local sub-classification involving a much more complex system. Comment.
- Q.17 Our society is still in the grip of deep rooted misogynistic mentality that sees stalking in the light of “macho-man enthusiasm”. Comment.
- Q.18 It is easy to lay the blame on successive governments for failing to address health as a fundamental right for Indian people. But the real tragedy is that we the people of India, have not taken our government to task for this catastrophic failure. Critically analyze the statement in the light of recent developments.
- Q.19 Analyze the prospects of social inclusion for the differently-abled in the light of issues and strategies.
- Q.20 The defining purpose of education is not to train students to take their place in either the corporate order or the existing society, but to encourage human agency as an act of social intervention. Analyze.
